

The logo for Max Senso, featuring the word "Max" in a small font above "Senso" in a large, stylized script font, all enclosed in a red rectangular box.

**Max
Senso®**

The first choice of every kitchen

**A Trusted Company With
Solid Values, Dedicated People,
And Willingness To Innovate.**

A red and silver electric juicer with a glass pitcher is shown from a top-down perspective. The juicer has a red base and a silver body. The glass pitcher is clear and has a red lid. The juicer is surrounded by various fruits including oranges, mangoes, and kiwis.

Our success comes not
only from the quality
products you use every
day and our outstanding
customer service but also
from our hardworking team
and ordinary people who
have teamed up to accomplish
extra-ordinary things.

About us!

Dear Customer, We are happy to state that Meera Metals has grown into a nationally manufacturing company in the line of Kitchenware Products. Notable attraction of our product is the perfect quality against low price, and even our after sales service is very much appreciated by our clients. Our unwavering focus on innovation and quality has enabled us to obtain a prominent share in the market.

We carry out performance audits to track and maintain customer satisfaction at highest level. In the competitive market we have a great enthusiastic and the dynamic team which works towards clients' satisfaction.

The company has great potential for development & is stepping towards its goal of being a famous Indian brand.

Meera Metals is worth getting your attention!

About Company,

We at Meera metals believe in customer satisfaction. We deliver high-quality products to our customers at affordable prices. In a year 2003 Starting with lemon squeezer under the brand name Senso (Now known as Max Senso®) as our sole product, we now cater numerous kitchen needs with a wide range of products.

Keeping up with time, we have been continuously innovating and improving by blending our experience with technology. Using advanced machineries we are now manufacturing 80+ kitchenware products. Each one of our products comes with the surety of durable life, great functionality and excellent finishing. From over 19 years, our brand Max Senso® has become our identity in the market making us one of the leading kitchenware manufacturers in India. This truly makes us the **First choice of every kitchen.**
